

Video Opportunity: Networking and Sharing FCAB Educational Materials

Enhanced virtual networking opportunity -

We invite you to submit 1-minute introductory video about yourself and your work. Learn about what others are doing and let them know about you and your work.

Educational resource sharing -

We invite you to submit a 2-3 minute video featuring FCAB educational materials that you have designed to help social work students learn about FCAB. Share with your colleagues and gain new resources for teaching.

Instructions:

1. Create an mp4 file using your platform of choice—such as Zoom, YouTube, Panopto, Tegrity, or simply your computer's default video software.
2. Send an email with the link to the video (or attached in the email) to CSD editor John Gabbert at jgabbert@wustl.edu.

These short videos will be available in YouTube playlists that will be available to all attendees, and will be posted on the event website after the conference.

We look forward to seeing your videos!

Best,
FCAB conference planning team
